

# Projecte PEL - JAVASCRIPT

## Projecte de Centre PEL - JavaScript

1. Visualise the ten most populated countries and the ten most spoken languages in the world using DOM

2. Record a video explaining the results (maximum duration 1 minute) and send the video to the padlet.com platform (<https://padlet.com/joamba/lcsl5h3uyqh17e1n>) to share it with the class.
